Program Description: Our Summer Fun program mostly takes place outdoors. We offer water play, arts and crafts activities, bubble play, gardening, playground time, easel paintings, lawn games, sprinkler play, a thematic activity of the day and more. After our Song Circle and Snacktime, the children are divided into age groups and have some classroom time with their groups. This helps get the children acquainted with their new classrooms that they will be in next fall. After classroom time, we engage in sprinkler play in our back garden. We end our mornings by changing into dry clothes and having a popsicle.
