### ***Program Description:***

Summer Fun welcomes 2-6 year-olds and is filled with sensory play, arts & crafts, games, water play, large motor opportunities, gardening, mud kitchen play and more! We start our mornings outdoors all together playing and creating in the space in front of Shir Shalom. Mid-morning we break for Song Circle and Snack. Next we split into 3 age-groupings and spend some time indoors in the classrooms that each group will be in for the upcoming school year. After indoor time we head out in the back garden for sprinkler play, mud kitchen exploration, etc. We end our mornings by changing into dry clothes and having popsicles.

The extended day option includes lunchtime and more outdoor play, with a special project that they will work on throughout the summer.

### ***Staffing:***

SF is lead by the ECC Director and 2 ECC Teachers. They have 4-6 caring teens working with them. The program is well-staffed and meets the needs of all participants, from our brand new 2-year-olds to our oldest ECC kids who are moving on to Kindergarten.
